## Women's AA Plan Reception For Freshmen

The Women's Athletic Association will receive freshmen at the annual reception Monday evening, October 19, in the women's day study. Rules of the association, the point system, and the part freshmen will play in the association will be discussed.

The council met Sunday evening, September 20, in Maples reception room to discuss plans for the year. The following team managers were elected: softball, Ginny Stecker; tennis and swimming, Joanne Newkirk; basketball, Nancy Laib; and hockey, Agnes Murphy. The annual fall card party will be held November 2.

The main issue at the present time is the ratifying of the altered constitution. The new provisions have been mimeographed and are available for members to read. Voting on the changed provisions will take place October 20, after dinner.

All team captains will be members of the council in the future. Previously they had no representation on the council.

A committee was named to be in charge of all money-making projects of the WAA. Kay Hood, Phyl Stadler, and Bunny Hockenbury will promote the socks, Christmas card, and ticket sales in the dorms.

Marge Merrifield is president of the Council this year. The other members are Bobbie Harris, vice-president; Phyllis Stadler, secretary-treasurer; Joan Leet, Carol Edwards, and Ruth Heller, class representatives; Joanne Newkirk, Nancy Laib, Agnes Murphy, and Ginny Stecker, managers; and Joanne Freidlin and Jen Price, team captains.

## Leaders Elected by Women of Day Study

The Women's Day Study has elected the following officers for the year 1953-54: Liz Haslam, president; Jane Smith vice-president; and Barbara Wagner, secretary-treasurer. Jeanette Yeager is the representative to WSGA and Mary Helen Hartlieb is the representative to the Senate.

At the first business meeting of the day study, Mary Helen Hartlieb was appointed chairman of Freshman Initiation. Freshman girls are Wes Schwemmer, Philadelphia; Liz Wiedemann, Brazil; Pat Jones, Collegeville; Nancy Schronk, Mont Clair; and Bev Glodfelter and Connie Cross, Norristown.

## Deedes To Open Forum Season With British Foreign Policy Talk

On Monday night, October 19, the Ursinus Forum will present Dr. William Deedes M.C., M.P., who will speak on British foreign policy in the East and in the West.

Mr. Deedes is a journalist and, at the present time, a conservative member of Parliament from the district of Ashford-Kent. In the past he served as a war correspondent during the Italian-Ethiopian War in 1935 and as a major in the Second World War.

All students are urged to attend this first program of the 1953-54 Forum series.

### SENIOR CLASS

At a recent class meeting the seniors discussed yearbook plans and the senior prom. Pat Frey has been appointed chairman of the dance which will be held December 11.

### CHI ALPHA

Tomorrow night at 7 o'clock in the home of Rev. Alfred Creager the Chi Alpha Society will hold its first meeting of the academic year. Rodney Henrie '54, the moderator, invites all pre-theological students and other men and women who are particularly interested in Christian work to join the society. Walter Long '54, vice-moderator, has planned the program for the evening.

### ATTENTION! ALL ORGANIZATIONS

All organizations holding record dances in the gym at which an admission is paid by students are to give the Spirit committee a fee of \$1.00 or ten percent of profits, whichever amount is the greater. This money in turn will be used to purchase new records. The above is an MSGA ruling. Any organization may use these records, and the fee is to be paid whether these records are used or not. In this way the students will be assured of an up to date supply of modern records for dances.

## Student Teachers Discuss Problems At Doggie Roast

Something new and most welcomed in the way of FTA meetings and Student Teachers' Conferences was initiated on Wednesday evening, October 7, as all gathered at Mr. Minnich's home, "Sheephaven", for a doggie-corn roast. The usual teachers' garb was discarded for dungarees and warm jackets.

After enjoying the refreshments, consisting of hot dogs, roast corn, and cider, an informal gathering was held around the fire. "What do you do with a boy who just won't listen?" or "Is taking over a homeroom period a teaching activity, or an observation activity?" were among the questions asked by bewildered student teachers.

Jean Austin, who is President of the FTA, introduced the officers for 1953-54.

They are: Bob Guth, vice-president; Ruth Reeser, secretary; Bill Burger, treasurer; Nancy Bergman and Richard Heydt, membership; and Ethel Lutz and Norm Pollock, publicity.

Plans were made to visit Boyertown Joint High School on a Tuesday evening in the near future.

All students who are planning to teach are urged to become members of the Future Teachers of America.

## Academic Freedom Topic of "Chats"

Is Academic Freedom True or False in the U.S.A.? This pertinent question will be the topic of discussion at the Fireside Chat Wednesday night at 7:30 at the homes of Dr. Eugene Miller and Dr. Donald Baker. Fireside Chats are sponsored by the Political Action Commission of the Y several times a year.

The talks will be led by Jack Matlaga and Harold Smith, student leaders of the commission. All are invited to attend and participate in this meeting which should be of vital interest and importance to us as students.

Definite arrangements have been made by the Y concerning the annual Y Retreat. The week-end retreat will be October 24 at the University of Pennsylvania Camp for Boys. More information will be given at a later date.

### SORORITIES

On October 17 the sororities of Ursinus will begin their activities for 1953-54 with Old Timers' Day luncheons for present members and alumnae. The Alpha Sigma Nu luncheon will be at the Perkiomen Bridge Hotel; Kappa Delta Kappa will have their luncheon at Lakeside; Omega Chi is also holding theirs at Lakeside; Tau Sig and Phi Psi luncheons will be held at the Collegeville Inn.

### "Ruby"

The senior class has plans well under way for the 1954 Ruby under the editorship of Bob Armstrong and Maxine Walker. Business managers are Milo Zimmerman and Rose Reiniger.

Two dances for the benefit of the Ruby have been held thus far and several more are planned for this semester.

Individual portraits were taken last week and activity pictures have been scheduled for this week.

## Draft Exams Scheduled for Nov. 19, Apr. 22

Major General Lewis B. Hershey, Director of Selective Service, has announced that the Selective Service College Qualification Tests will be given at more than 900 testing centers on Thursday, November 19, 1953, and Thursday, April 22, 1954.

Applicants for the tests will mail applications to the Educational Testing Service in self-addressed envelopes which registrants may secure from local draft boards upon request. Bulletins of information concerning the tests are also available at the local boards.

To be eligible to apply for the Selective Service tests a student must: (1) intend to request deferment as a student; (2) be satisfactorily pursuing a full-time course of instruction; and (3) must not previously have taken the qualification test.

Students whose academic year will end in January, 1954, and who have not taken the test, have been urged to take the November test so they will have a test score on file at the local boards before the end of their academic year, at which time their boards will reopen and reconsider their cases to determine whether they should be deferred as students.

The present criteria for deferment as an undergraduate student are either a satisfactory score (70) on the qualification test or specified rank among the male members of the class (upper half of freshman class, upper two thirds of sophomore class, or upper three fourths of junior class).

Students accepted for admission to or in attendance at a graduate school prior to July 1, 1951, satisfy the criteria if their work is satisfactory. Graduate students admitted or attending after July 1, 1951, must have ranked among the upper half of the male members of their senior class or make a score of 75 or better on the qualification test.

General Hershey has emphasized many times that these criteria are merely flexible yard sticks and it is not mandatory for local boards to follow them. The standards may be raised or lowered any time in accordance with manpower demands.

Applications for the November 19, 1953, tests must be postmarked no later than midnight Monday, November 2, 1953. Applications postmarked after midnight of that date cannot be accepted for that test.

## Pre-Med Group Hears Dr. Benjamin Souders

The Brownback - Anders Pre-Medical Society presented Dr. Benjamin F. Souders, who spoke on the subject of "Corneal Transplantation" at its first session this year held last Tuesday night in S-12.

Dr. Souders, an ophthalmologist, now practicing in Reading after serving several years in the armed forces, is a graduate of Ursinus, '33, and the University of Pennsylvania School of Medicine, '37.

In his informal address on the subject of corneal transplantation, Dr. Souders stressed the fact that the average layman holds many harmful misconceptions concerning so called corneal grafts. He stressed the fact that the human eye itself can not be transplanted, but rather a section of a healthy cornea is substituted for a section of a scarred cornea.

Dr. Souders illustrated his lecture with color motion pictures, explaining the exact procedure of the operations in which scarred corneas are removed and healthy ones transplanted. After the pictures he answered questions which the members presented. Everyone agreed that the session was one of the most interesting and enjoyable held in recent years.

President Ted Radomski announced plans to visit the symposium of the Philadelphia medical schools held at the University of Pennsylvania School of Medicine on October 31.

## Student Council Activity Reviewed by Reporters

### MSGA Announces Report Concerning Student Union

by Jack Westerhoff '55

The purpose of this column is two fold. First I want to relate to you everything that goes on at your MSGA meetings. I want you to know how your representatives are thinking, working and voting for you. In this way you will feel a part of the MSGA and can influence its activity. Secondly, I want to comment on what they do and think in order to make both you and them aware of all the issues.

On September 28 the first meeting of the MSGA for this year was held with the first item for consideration being the Student Union. Dr. Helfferich reported that our part of the agreement, the money quota, has been met and that an architect has drawn plans and is now soliciting estimates. Work should be started in the near future. We'll keep you notified of every new development.

A resolution was passed in order to make it possible for any student to attend open MSGA meetings once a month. Now you may attend to see how the council functions and how your representative participates within the organization. You can now personally air your views and complaints. We hope that each one of you will take this opportunity to become more aware of the MSGA as a functioning body.

A resolution was also passed to try to make our library more quiet. Surely we all realize that the library is a place to study, not to socialize. Let's cooperate by getting our dates outside, and being

(Continued on page 2)

## String Quartet to Play This Sunday

Sunday afternoon, October 18, at 4 o'clock the Valley Forge String Quartet will present a program of chamber music in Bomberger Hall. This will be the group's second appearance at Ursinus.

Members of the quartet are Jeno Donath, violin; Joseph Brodo, violin; Erwin Groer, viola; and Thomas Elmer, cello.

The program will consist of the following selections: String Quartet Opus 96 in F major by Dvorak, Allegro non troppo, Lento, Molto vivace, and vivace ma non troppo; Melody by Gluck; Minuet by Boccherini; Cavatina by Raff; Weddinging at Trolldhaugen by Grieg; Freckles by Isaac; and Traumeri by Schuman.

The faculty and students and their friends are cordially invited to be present for this program which marks the opening of the musical season at Ursinus.

### IRC Will Discuss Aims of U.S. and Great Britain, Oct. 19

The International Relations Club held an organizational meeting in the faculty room of the library on October 5. Richard Howard, vice-president of the club, presided and greeted both old and new members. The agenda for the coming year was discussed and it was decided that emphasis would be placed upon group discussion of vital topics this year.

The next meeting, on October 19, will feature a discussion on the divergent aims of Great Britain and the United States in the Far East. New members and anyone interested in international relations are invited to attend.

### JUNIOR CLASS

At a meeting held Wednesday evening, October 7, the junior class discussed plans for its dance, *Penthouse Serenade*, to be held November 7, after the Franklin and Marshall football game. Five committees for refreshments, tickets, orchestra, decorations and publicity were appointed.

### WSGA Holds First Meeting; Social Calendar Arranged

by Pat Garrow '54

For the benefit of women students who feel that they are not fully aware of the issues and controversies which are discussed and decided upon at the meetings of their Student Council, this column is being incorporated into the *Weekly*.

It is felt that many items which are presented in the straight news article are not fully explained and that no opinions are available. In order to inform the students of both sides of various questions, I will repeat them here so that they know just what their representatives are doing.

The council held its first meeting of the year in Miss Stahr's office, September 28. Jenepher Price, president, conducted the meeting.

### Social Affairs Planned

Perhaps some students think the Student Council is strictly a political body. It is not. It also conducts various social affairs. Witness the reception for freshmen women. Sally Mills, junior representative on the council, arranged the get-together, and it was a very successful affair. Miss Stahr and Jen Price spoke briefly and Jen introduced the council so that freshmen women may know who their leaders are. Ice cream and cookies topped off the party.

At the first meeting, the council decided to try to get two dates for record dances. These have been secured. Like every other organization on campus the WSGA needs money to support its activities, and having dances is just one way of doing so.

The following dates were tentatively decided upon for the major affairs sponsored by the Student Council: Junior-Fresh Breakfast, October 17, Old Timers' Day (this is traditional); Big-Little Sister (Continued on page 6)

## Tryouts Are Held For "All My Sons"

*All My Sons* by Arthur Miller has been selected as the fall presentation of the Curtain Club. The play will be presented on December 4 and 5. Tryouts began last Thursday and will continue tonight and Tuesday night at 7 p.m. in the T-G Gym.

The first group production of the Curtain Club, *The Day After Tomorrow*, will be presented November 3 in the T-G Gym. Mary McKerihaan '55 and Milo Zimmerman '54 are directing the production. The cast includes Ken Dunlap '55, Jean Hain '56, Gayle Auchenbach '57, Mary Gillespie '55, and Eileen Kinderman '56.

### Fraternities Plan Receptions As Old Timers' Day Highlight

All of the fraternities will officially begin their social season next Saturday with a Homecoming celebration for their alumni and their present members. All of the cocktail parties and dinners will be held after the football game and before the Homecoming dance.

Zeta Chi, which has already had a reorganization party, will give a dinner at the Valley House. Beta Sigma Lambda has chosen the Collegeville Fire House as the site of its reception for alumni. Sigma Rho will have a dinner at the Spring City Hotel, while Demas has chosen the Prop Room for its Homecoming celebration. Delta Pi Sigma will give a buffet dinner at Lakeside Inn and Alpha Phi Epsilon will have a cocktail party at the Old Mill.

### CHEM SOCIETY

The Beardwood Chemical Society of Ursinus College held its first meeting last Monday, October 5. At this time Mr. J. I. Reid of Du Pont discussed careers in chemistry and showed a film entitled, "Problems in Research."

## EDITORIALS

## PERSEVERANCE BRINGS PROGRESS

It was a welcome sight, when we made our first trip down to the Weekly office after returning to school, to note that much of the old furniture which had been collecting dust in the basement of Bomberger for years, seemingly, had finally been removed. This, we found out, had been done to make way for the new Student Union. We are encouraged to hear that the architects' drawings have been completed and that work will begin as soon as a contractor is selected.

The fact that the dream of a Student Union at Ursinus will probably become a reality before the end of the academic year, is proof that things are accomplished only through perseverance and hard work. Ursinus students have thought for many years that we should have a Student Union, but it has only been in the last two or three years that anything was really done about securing it.

This time, everyone became enthusiastic. Almost everyone contributed his share to amass the necessary funds. The subject of the Student Union was then, as has been since, discussed frequently in meetings, in the dorms and with the faculty. Because the subject of a Student Union has been kept constantly in the minds of every person on campus, we are about to see the beginning of one of the most welcome improvements on the Ursinus campus.

## Your Ideas in the "Weekly"

In answer to many questions we have received recently, asking how the students may express their views in the Weekly, we are reprinting the Weekly policy in regard to such matters, for the benefit of the new students and in order to refresh the memories of the old.

The Weekly maintains a "Letters to the Editor" column in which we print the opinions, praises, questions and criticisms written by the students, the faculty and anyone interested in the activities of the college. Such letters must bear the signature of the correspondent, although the name will be withheld from publication if the writer so desires.

We are often asked who writes the editorials for the Weekly. The answer is—the editors—but only because no one else cares to do so. Anyone may write a Weekly editorial. However, the subject should first have been approved by the editorial staff, since it is the purpose of an editorial to express the policy of the paper rather than of individuals. The latter are more properly expressed by a Letter to the Editor.

We welcome contributions from those outside the Weekly staff. It shows an active interest in Ursinus and life on the campus. We are glad to promote and encourage new ideas in making Ursinus an ever better and happier college.

## OBSERVATIONS UNLIMITED

by Joan Higgins '54

Welcome back, Ursinusites and welcome to the "fightin'est college in th East," all frosh. It's a pleasure to stroll around campus and see thee faces you've missed all summer long. It's also a pleasure to take in the fall beauty of our surroundings. The thirty some varieties of trees on campus changing their green to autumn hues adds so much to the opening weeks of school.

There is a certain group who just aren't able to spend as much time around these grounds as they might like. — Yes, the practice teachers. Early breakfast risers and midnight lesson planners are these kids. I overheard one say that she was going to write a letter of apology to all the teachers she had ever given a hard time. Quite commendable!

The football season is off to a pretty good start. The boys are playing good ball. Drexel must have us jinxed the way they've taken our games the last few years.

Someone should write another letter to the editor deprecating collegiate competition with outclassed colleges. "Tradition," they say—we would rather say, "Victory." Other than the F. and M. game we should fair well this season.

Frosh, don't take customs so hard. They have a definite purpose—that of orienting you to college life. They are meant to unite your class. You may not be able to see the benefits now but in a couple of months you can have many laughs together about customs and the purpose of customs will have been accomplished.

A goodly number of our pre-mediers are bound for medical schools. Congratulations to you and to our pre-med department. Ursinus will stay on top!

The first Senior Class dance was well attended. Keep up the good work. (We need the money and think you could use the fun.)

## Thinking Out Loud

by Bob Armstrong '54

## WHEN URSINUS PLAYED PENN

When Ursinus played Penn! Yes, that was a long time ago. There are only a few faculty members who can recall those thrilling days. However, it was only fifteen or twenty years ago that the U.C. schedule included such teams as Temple, Army, Penn., and other great teams. This occurred before football changed from a sport to a big business proposition.

Do you find it hard to believe the fact that Penn's only loss one year was to the Ursinus bears? Those days may be gone forever, and some people may say that we have lost out since those days. The fact is, however, that Ursinus has gained a great deal since then. There isn't space here to enumerate the advantages of small school athletics over big school subsidized athletics, but our big asset is school spirit.

It is immaterial whether our spirit is that of the victor or that of the under-dog; the fact remains that we are the "Fightin'est College in the East". We received a letter from Drexel last year commending our spirit and asking advice as to how we did it—that is a fact of which we may well be proud.

When you are following our team to all their games this season remember that we have a reputation to keep up; remember the great seasons of years past; and remember that you belong to "The Fightin'est College in the East."

## Candidates Urged to Take Law Test

The Law School Admission Test required of applicants for admission to a number of leading American law schools, will be given at more than 100 centers throughout the United States on the mornings of November 14, 1953, February 20, April 10, and August 7, 1954.

A candidate must make separate application for admission to each law school of his choice and should inquire of each whether it wishes him to take the Law School Admission Test and when. Since many law schools select their freshman classes in the spring preceding their entrance, candidates for admission to next year's classes are advised ordinarily to take either the November or the February test, if possible.

The Law School Admission Test, prepared and administered by Educational Testing Service, features objective questions measuring verbal aptitudes and reasoning ability rather than acquired information. It cannot be "crammed" for. Sample questions and information regarding registration for and administration of the test are given in a Bulletin of Information.

Bulletins and applications for the test should be obtained four to six weeks in advance of the desired testing date from Law School Admission Test, Educational Testing Service, P.O. Box 592, Princeton, N. J. Completed applications must be received at least ten days before the desired testing date in order to allow ETS time to complete the necessary testing arrangements for each candidate.

## National Poetry Association Announces College Contest

The National Poetry Association has announced the tenth annual competition of College Students' Poetry.

The closing date for the submission of manuscripts by all College students is November 5.

Any student attending either junior or senior college is eligible to submit his verse. There is no limitation as to form or theme. Shorter works are preferred by the Board of Judges, because of space limitations.

Each poem must be typed or printed on a separate sheet and must bear the name and home address of the student, as well as the name of the college attended.

In 1952, some 20,000 manuscripts were received in the college competition, from practically every college in the country.

There are absolutely no fees or charges for either acceptance or submission of verse. All work will be judged on merit alone.

Manuscripts should be sent to the offices of the association, National Poetry Association, 3210 Selby Ave., Los Angeles 34, Calif.

## WHITEY'S WIT

by Bill Wright '55

"AND WHAT SOPH RULER DID YOU HAVE IN MIND MOST NOBLE SIR?"

## M.S.G.A.

(Continued from page 1)

quiet inside so that all may study.

It was also suggested to Mr. Barron that the library be open at night from 7:00 to 10:00 instead of from 6:30 to 9:30, on a trial basis. Such a plan would enable those who have after-dinner meetings to study in the library for a longer time than is possible under present conditions.

When you walk into a restaurant are you forced to listen to a news report? Well, from now on you will hear very few announcements in the dining room. No announcements will be made concerning activities which are already listed on the calendar — why?

(a) You hear only the first few announcements because it's nice to talk to someone for a few minutes during a meal.

(b) The announcements concern relatively few people, yet everyone is forced to listen.

(c) There are six bulletin boards—in Bomberger, Pfahler, inside and outside of the Supply Store, outside the upstairs and downstairs dining rooms.

(d) Those who are interested enough in the meetings will check the bulletin boards.

(e) Many feel that music in place of the announcements will lead to a more leisurely, comfortable, enjoyable meal.

The only announcements that will be read are those which advertise functions of the whole college. Please remember this and don't hand in other announcements to be read. Get your announcements on the bulletin boards early and remember to clean the boards off after your announcement. Here's to happier eating!

## Teacher Examinations Scheduled for Feb. 13

The National Teacher Examinations, prepared and administered annually by Educational Testing Service, will be given at 200 testing centers throughout the United States on Saturday, February 13, 1954.

At the one-day testing session a candidate may take the Common Examinations, which include tests in Professional Information, General Culture, English Expression, and Non-verbal Reasoning; and one or two of nine Optional Examinations designed to demonstrate mastery of subject matter to be taught. The college which a candidate is attending, or the school system in which he is seeking employment, will advise him whether he should take the National Teacher Examinations and which of the Optional Examinations to select.

Application forms and a Bulletin of Information describing registration procedure and containing sample test questions may be obtained from college officials, school superintendents, or directly from the National Teacher Examinations, Educational Testing Service, P. O. Box 592, Princeton, N. J. Completed applications, accompanied by proper examination fees, will be accepted by the ETS office during November and December, and in January so long as they are received before January 15, 1954.

# Spirit Committee Sparks "U" Campus; Outstanding Year of '53-54 Predicted

by Barbara Kuebler '54

Haverford's next! That's the by-word these days. Our campus for the first time in many years is filled with an "all out for Ursinus" spirit, thanks to our Spirit Committee. Yes, after a long hard struggle they have finally won out. And we hope this is only the beginning.

The membership has zoomed to well over 60 people, all of whom are active members, taking an active part on the different committees. Those committees are for the various activities which the Spirit Committee fosters.

## Dances Scheduled

They have dances planned by Rose Marie Swallick '57 and Harvey Levin '57. We have already been to two of them and find that we enjoyed them immensely. There are two more scheduled for October, so mark them in red on your calendar—you'll want to be there. Here are the dates—Oct. 16 and Oct. 23, both are on Friday night.

Of course every dance must have decorations, but so must the campus be decorated before home games. Barbara Schweiker '57, does both these jobs, and judging from what we've seen so far, we'd say "great work" to her and her committee. Come Old Timers' Day, we hope to see even greater things.

"We really appreciate your having your Grizzly Griddle along when you get your pep tags, kids. Thanks a million." But not many have theirs. In spite of the fact that Sally Saltzer '54 may get gray early over this fact, she is really getting rid of those pep tags. Have you noticed how many people are wearing pep tags? Did you get yours? If not, see Sally Saltzer, chairman of the committee for pep tags.

Whenever we think of pep tags we remember the huge pep rallies at U. C. As long as we live we shall remember those pep rallies on Freeland and Pfahler steps, and those encouraging speeches by the captain of the football team, (who by the way is a great guy and seems to know what he is talking about.) But to get back to the

pep rallies — these are possible through the efforts of Bruce Holcombe '57, Barbara Olmo '57 and Margie Struth '57. So far we have been to two, but that was enough to know that we have really "got it."

## The Vigilantes

Swarthmore burnt an S in our field, and even if it was backward, it was there. On the side-walk of Pfahler we see D.I.T.—now this was done many years ago. We don't want it done again, neither does Terry Germon '57; that's why he gets his group of vigilantes together before each game to watch the campus. "To clobber first and ask later" is the motto of this Ursinus dragnet crew. Beware of Haverford — we wouldn't want anything to mar Old Timer's Day.

Speaking of O.T.D., and everybody is thinking about it we're sure, did you know that it's the Spirit Committee who presents the trophy to the best decorated dorm. And it's a real honest-to-goodness trophy. Grab your palette, pal, and make with the art—this is the prized prize.

Bob Armstrong '54 is doing a terrific job as head of the Spirit Committee. Also deserving praise is the executive board which includes Al Field '54, Vice President; Priscilla Shinehouse '53, Secretary; and Fran Jahn '54, Treasurer. These four will comprise part of the committee who will judge the dorm decorations on Old Timers' Day, October 17.

## New Band Uniforms

The biggest thing so far this year, thus the climax to our story, will be the presentation of new band uniforms on Old Timers' Day. We certainly would like to shake the hand of the person who initiated this. We think it is a tremendous idea. The band certainly needed them. On behalf of the whole college, we'd like to thank the Spirit Committee for being so thoughtful and for taking pride in Ursinus. We can show our pride through the spirit which they inspired in us.

## Spencer Hand Added To Staff of Library

This year our librarian, Mr. Barron, has a new assistant, Mr. Spencer Hand. Mr. Hand graduated from Haverford College, and received his Master's degree in political science from the University of Pennsylvania.

Mr. Hand considered college teaching as his profession but soon found that his main interest was library work. He entered the School of Library Science at Drexel Institute and was graduated last June. He came to Ursinus late in July.

According to Mr. Hand, Ursinus is the same type of college as his alma mater, Haverford, except that it is co-ed. Consequently, he feels very much at home here.

# Ursinus Coed Receives Reply To Letter "Mailed" in Ocean

by Pat Garrow '54

"Dear Happy 6,

On the 26th day of August, my twin daughters, aged six, playing on the beach, found the bottle containing your letter. Sorry to say, some water had gotten into the bottle making the reading somewhat difficult and partly guess work.

First, the beach where it was found was Rhossille Beach, Gowerland, near Lwansea, South Wales.

The bottle had apparently been washed up in a storm the previous day.

From your note I would guess that the bottle had been dropped from a ship, but what I would like to know, if you would care to write and tell me, is what you six people have got to be happy about, or was it the result of the contents of the bottle that made you feel that way. It smelled rather nice!

The addresses are somewhat obliterated and I have chosen the clearest of them.

Hoping the bit of fun this has caused will create a few more happy moments for you,

Yours, very sincerely,  
Catherine M. Johnson"

The preceding letter was received last Monday by Doris Anne Lockey, a freshman living in Duryea. It had been forwarded by her parents from her home in Lancaster, where it had been sent by Mrs. Johnson.

Doris was a member of a group traveling to Europe last summer for a tour of various nations. The

groups set sail from Quebec in June aboard the T. S. Arosa Kulm. As the ship approached the mouth of the St. Lawrence, the group, in high spirits, obtained a whiskey bottle from a crew member, empty of course, and decided to throw the container into the ocean in hopes of receiving an answer from a note which would be enclosed.

The following is the approximate contents of the note:

"To whom it may concern:

We are a group of students aboard the T. S. Arosa Kulm sailing for Europe. Realizing that it was a chance in a lifetime of going to Europe, we are throwing a bottle overboard hoping that it will land on some foreign shore. We are feeling very happy . . .

The Happy Six"

At high noon, the group of six girls mounted the bow of the ship. Singing "Far Away Places" they tossed the bottle, sealed with tar, over the side.

"We thought it broke when it landed," said Doris, "but evidently it didn't."

During the succeeding trip to Europe the girls forgot their dedication to the ocean and set about enjoying themselves. Doris and her friends returned home and matriculated at various colleges.

Upon receiving the letter, Doris wrote immediately to Mrs. Johnson answering her questions.

"It was the perfect ending to a perfect summer," declared Doris.

It's easy as pie!  
No entry blanks!  
No box tops!

You can cash in  
again and again!  
C'mon, let's go!

TWICE AS MANY AWARDS THIS YEAR

# MAKE \$25!

## WRITE A LUCKY STRIKE JINGLE based on the fact that LUCKIES TASTE BETTER!\*

From well-known towns to parts unknown,  
Most any place you go —  
It's Lucky Strike for better taste  
With people in the know!

Easiest \$25 you ever made. Sit right down and write a 4-line jingle based on the fact that *Luckies taste better*. That's all there is to it. More awards than ever before!

Read the jingles on this page. Write original ones just like them—or better! Write as many as you want. There's no limit to the number of awards you can receive. If we pick one of your jingles, we'll pay you \$25 for the right to use it, together with your name, in Lucky Strike advertising.

**Remember:** Read all the rules and tips carefully. To be on the safe side, clip them out and keep them handy. Act now. Get started today.

My meals, folks say, are flavorful—  
They're seasoned perfectly.  
For better taste, it's Luckies, though,  
That win the cheers—not me!

CLIP OUT THIS INFORMATION

### RULES

1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on any qualities of Luckies. "Luckies taste better," is only one. (See "Tips.")
3. Every student of any college, university or post-graduate school may submit jingles.
4. You may submit as many jingles as you like. Remember, you are eligible to receive more than one \$25 award.

### \*TIPS

To earn an award you are *not* limited to "Luckies taste better." Use any other sales points on Lucky Strike, such as the following:  
L.S./M.F.T.  
Lucky Strike Means Fine Tobacco  
Luckies taste cleaner, fresher, smoother  
So round, so firm, so fully packed  
So free and easy on the draw  
Be Happy—Go Lucky  
Buy Luckies by the carton  
Luckies give you deep-down smoking enjoyment

## About the Belles

Marge Merrifield Captains Promising Hockey Team;  
Numerous Veterans, One Freshman Named to Line-up

by Pat Garrow '54

As another sports year opens at Ursinus, fans are looking around noticing the strength of the freshman class, whether the sophomores have developed over the summer, pondering the ability of the juniors to replace the valuable seniors, and saying sadly to themselves of the seniors, "This is her last year. We'll miss her next fall."

Perhaps the more realistic ones are noticing the power of the hockey team and speculating on the probability of a good season. Hockey at Ursinus has always been good, but it has always been topped as far as number of games won by the basketball and softball teams.

This year the squad, rearranged for power in strategic spots, seems to have the stamina to tussle with Temple, Beaver, and Penn for a victory. It is led by All-College wing, Marge Merrifield. Since she arrived in Collegeville from Haverford High, Marge has held the left wing post despite threats of a halfback position. She has been the pride of Coach Eleanor Snell, not only in hockey but in basketball and softball, and more recently, in tennis. What is known as "a natural," Marge is the ideal leader for this year's promising team. Talented within herself, she demands and receives respect for her play on the field and in the huddle.

Each year seniors graduate and speculation on the quality of next year's team runs along the defeatist line.

"Well, we have so-and-so, but without whatcha-call-it we'll be lost."

But the fall and the incoming freshman class usually bring with them some surprises. This year that surprise is Margie Dawkins. From Upper Darby, Marge is expected to be a good athlete, for if such things run in the family, then brother Ed, Ursinus' Middle Atlantic wrestling champ, no doubt left some of his talent for Marge. She'll see action at center forward, a vital mainspring which can make or break a team. Quick reactions and smart thinking aid the center forward in distributing play on the field and in holding the scoring punch together. If Marge can do just this, she'll be a great asset.

Long legs and endurance will help her.

Returning to the forward line are Marge Abrahamson and Ruth Heller. Ruth was last year's freshman surprise, and she and the likeable Marge will share duties at the inner position. They will be the main scoring threat. Their fight and agility in the striking circle will give Ursinus a potential advantage.

Marge Watson needs no introduction. More popularly known in the last few months as "Mom", Marge returns for her final season with the Belles. Taking care of baby Bray, classes and hockey occupy the time of this half-back. Miss Snell is depending on Marge to back up the strong side of her forward line, composed of Marge, (Continued on page 5)

## "Danny" Back At Ursinus

by Mary Lou Singer '55

Have you noticed that sparkling blond phys-edder that swings a mean hockey stick? She is Annette Dannehower, better known as "Danny," a member of the sophomore class and a day hop from Lansdowne.

"Danny" may be new to some of us, but Ursinus certainly isn't new to "Danny," for in 1942 she was a member of our freshman class. At the end of that year she gave up college to coach in private girls' schools. In the intervening years she has directed the Phys. Ed. Department in Mount St. Joseph's Academy, Chestnut Hill College, and Sharon Hill Academy. Then "Danny" decided that she would like to get her B.S. in physical education so she returned to college.

Her favorite team sport is hockey and she prefers tennis for individual competition. Her hobby is sketching and when asked whether she has been doing any lately she replied laughingly, "I have given it up for studying."

"Danny" with her friendly manner and vivacious personality will be an asset to any Ursinus team. Welcome back, "Danny"!

## Varsity Hockey Opens Friday

Friday the hockey team will open its season when it challenges Beaver on their home field. Coach Eleanor Snell has made several changes in the line-up this year, and it looks like the new combination on the forward line will be one of the most powerful for several years. Captain Marge Merrifield, who was on the All-College eleven last year will be at her old place at left wing. Marge Abrahamson has been moved over to left inner and looks like a gal who will be hard to stop. Freshman Marjorie Dawkins will fill the vacated center forward spot. Ruth Heller, who displays just about the most spunk on the line will again play right inner. Ruthie Reeser has moved up to the line again after playing half back last year and will start at right wing.

Two halfbacks who played before last year have returned to add much strength to the defense. They are Marge Watson who will be playing left halfback and Annette Dannehower who is the strongest center halfback Ursinus has had for quite awhile. Bev Syvertsen who also saw varsity action last year will be playing right halfback.

Kay Hood, moved back from halfback, and Jo Kuhn will occupy the fullback positions. And, of course, old standby Jen Price will again guard the goal this year.

Good luck, gals, look as good throughout the season as you do now and you'll end up with an outstanding record.

## Behind the Sports Scene

No Substitution Rules Explained by Scribe  
Upsets Expected; Return of Sixty Minute Player

by Dick Bowman '55

Football is a lot different game this year than it was last season. All the big schools have had to revise their grid programs to coincide with the new substitution rule. For those who are not clear regarding the provisions of the new ruling, and according to campus chatter the number is quite high, (I was not sure of it and had to look up the rule myself) perhaps an explanation might clarify a few points. First of all, the rule is a "limited substitution" provision, and not a "no substitution" rule as many think. Actually, the game is divided into six substitution periods. A player leaving the game in the first quarter cannot return until the second quarter. In the last four minutes of both halves unlimited substitution is allowed. A player leaving the game in the third quarter must remain on the sidelines until the fourth frame. So the six substitution periods are: (1) the first quarter; (2) the first eleven minutes of the second quarter; (3) the last four minutes of that quarter; (4) the third quarter; (5) the first eleven minutes of the fourth period; and (6) the last four minutes of that frame.

### A Break for Small Schools

The limited substitution rule has far reaching consequences. It is considered a break for small colleges who are unable to subsidize or are limited in luring a large number of outstanding players. The football squads are no longer two-platoon — one offensive and defensive. Fewer players must be able to produce more ability. Individual versatility is going to be the key to a successful season in any school.

This new rule has stimulated a great deal of controversy and discussion. Evidently, the move was designed to de-emphasize football as a big business. It has been said that in some of the nations largest schools the players of the defensive platoon not only did not know the plays of the offensive platoon, but in some cases they did not even know the players on the offensive squad, since the two platoons practiced on different fields. Specialization was carried on to such an extreme that some players were not only limited in talent to just kicking extra-points, but some only had a talented finger to hold the placement. Exaggerated? Yes, but the idea should be clear.

### Upsets Predicted

There should be a number of upsets this year, because this new ruling might well play the role once held by a slippery gridiron—that of the great equalizer. As one of the Ursinus players said after the Susquehanna game, "If two players of different ability are both well rested and playing against each other, the one with superior ability will be the more impressive. But if both players are exhausted, regardless of original ability—they are now equal." Maybe he is right.

Whether the fans like the rule or not, it is in effect and will have to be obeyed. One parting word to support those who dislike it—it can be a very grueling stipulation if the 60-minute player goes all out. Ursinus' Grid Captain Frank Kolp lost 14 pounds in the Susquehanna game, and had to be placed under the doctor's care, following the contest.

# Bears Win Opener, 32-14; Lose to Drexel

Ursinus Scoring, Blocking Win Game; Glock, Neborak, Conti, Schwenk Score

by Roland Dedekind '55

Trailing at half-time, 14-0, the Ursinus Bears came roaring back with 32 points in the second half to defeat the visiting Susquehanna Crusaders, 32-14, Saturday, Oct. 3. It was the opening game for both teams.

The Bears' highly-touted offense, which had been stopped on Susquehanna's 13 yard stripe in the first quarter, and on the 18 and 11 yard markers in the second period, broke through to score three TD's in the third quarter and added two more within the last five minutes of the game.

### Rising Scores for Crusaders

The Crusaders scored all their points in the second period. On the first play of the quarter with the ball, first and ten, on the visitors 40, Mike Rising caught Sam Ross' pass on the Ursinus 20 and ran over for the score. Rising kicked the extra point. Midway through the quarter, Louis Szabo, 190-pound Crusader guard, stole the ball from Dick Glock on the Susquehanna 18 and ran 82 yards to make the score 13-0. Art Leonard converted and the half ended 14-0.

### Glock, Neborak Tally

At the start of the third period, the Bears returned Leonard's kick-off to their own 41. Ben Maliken made a first down on the Crusader's 46, and on the next play Glock took a hand-off, broke through the middle of the line on a quick-opener, and scored standing up. Glock converted to close the gap to 14-7. The visitors returned the kick-off to their 38 yard stripe.

## Soccer Team Ties Drexel

by Ismar Schorsch '57

The Ursinus soccer team began its 1953 season in a rather ambiguous manner Saturday as it tied Drexel 2-2 on the opponent's home field. In fact, only the timely goal by Larry Zartman in the final two minutes of play saved the Bears from an initial defeat. Though two extra five minute periods followed, the score remained unchanged.

### Settles Scores

Drexel gained an early lead in the game on Bob Newmann's shot, and held it until the fourth quarter when sophomore Ben Settles evened the count. However, the Dragons quickly recaptured a one point margin, and seemed well on their way to victory, until Zartman's redeeming goal.

Though this was the opening contest for Ursinus on the regular schedule, they did play one pre-season game against Hill School in which they did very well, winning 5-2. The beautiful passing and fine teamwork of Dr. Baker's squad proved to be the deciding factor.

As for the future, Ursinus has the challenging task of facing nine tough opponents in the course of a month and a half. Nevertheless, the fact that most of this year's boys are veterans in soccer with an ardent desire to win, makes the '53 team one of the strongest in years. Last season the team only gained two triumphs, a record which should not be hard to beat with this year's fine well-rounded aggregation.

Three plays netted nothing, and the following punt went out of bounds on the Ursinus 48. John Conti notched a first down on the Susquehanna 40, Glock picked up one on the 25, and Maliken another on the 14. Conti carried to the nine, Glock to the one, and Paul Neborak plunged over on a quarterback sneak. Glock converted to tie the score.

Four plays later, Conti took a Crusader punt on his own 20, and aided by a perfect block by Maliken on the 35, raced 80 yards for the winning margin. Conti scored again in the final period on a 23-yard run after taking an option play pitchout from Ken Walker. Dan Schwenk tallied the final TD on a nine-yard Glock pass, after the ball was partially deflected by Sam Ross.

## Gurzynski Sees Excellent Year

by Joseph Citrino '57

With Ursinus' football squad already sporting a 32-14 victory over Susquehanna, and looking forward to one of its best seasons in recent years, Coach Ray Gurzynski is a very well satisfied man.

In a recent interview he said that this year's squad is much better than last year's because their morale is better and the boys have a greater will to win. There is no dissention nor any "cry babies." Everyone is doing his job well.

Speaking of the Susquehanna game, Mr. Gurzynski said that anytime one wins, it's gratifying, but he was particularly pleased with the all around performance of the team. There were consistent gains by the offense, although the pass defense wasn't quite what it should have been. The comeback spirit was very good.

The Grizzly mentor said that the Bears are not afraid of Drexel or any other club. In the Susquehanna game, four different men tallied, so there is no one man on whose shoulders we are placing all the scoring responsibility.

### Morale, Team's Strength

He emphasized that our strongest point is the morale and effort of the team. They were consistently gaining on every play and our only loss was on a back pass from center.

Looking over the schedule, Gurzynski feels that Franklin and Marshall should be our toughest game.

Team captain Frank Kolp thinks we should have a winning season and the best one in recent years.

Speaking about the support of the student body, Frank said that the pep rally was as good as any he's ever seen here. The students are pepped up about the team, which needs the support of the student body throughout the entire season.

## Touch Football Season Opens

The Intramural touch football league opened last week as three games were played. Brodbeck, Curtis, and Freeland each won their opening games.

This year the season will be played in two halves. There are six teams entered, so each team will play five games in each half. The winner of the first half will meet the winner of the second half in a best-of-three series. Games started at 4:00. If a team cannot field 8 men by 4:10 the game is forfeited. All varsity football and soccer players are ineligible for intramurals. The schedule is:

### First Half

- Oct. 7—Brodbeck 6, Derr 0
- Oct. 8—Curtis 38, 724, 0
- Freeland 32, Stine 13
- Oct. 12—Freeland vs. Curtis
- Brodbeck vs. Stine
- Oct. 13—724 vs. Brodbeck
- Curtis vs. Derr
- Oct. 14—Freeland vs. Brodbeck
- 724 vs. Stine
- Oct. 15—Curtis vs. Brodbeck
- Derr vs. Freeland
- Oct. 19—724 vs. Freeland
- Derr vs. Stine
- Oct. 20—Stine vs. Curtis
- 724 vs. Derr
- Oct. 21—(Rain Date)
- (End of First Half)

### Second Half

- Oct. 22—Brodbeck vs. Derr
- Oct. 26—Curtis vs. 724
- Freeland vs. Stine
- Oct. 27—Freeland vs. Curtis
- Brodbeck vs. Stine
- Oct. 28—724 vs. Brodbeck
- Curtis vs. Derr
- Oct. 29—Freeland vs. Brodbeck
- 724 vs. Stine
- Nov. 2—Curtis vs. Brodbeck
- Derr vs. Freeland
- Nov. 3—724 vs. Freeland
- Derr vs. Stine
- Nov. 4—Stine vs. Curtis
- 724 vs. Derr
- Nov. 5—(Rain Date)
- (End of Second Half)
- Week of Nov. 9—
- Playoff Games, if necessary

### About the Belles

(Continued from page 4)

Marge, Marge and, of course, Marge. Such appellations will also confuse the opposing team.

Annette Dannehower, "Danny" to the squad, returns to Ursinus after half a dozen years of coaching. An outstanding and modest athlete, she possesses an unusual alertness and confidence on the field, and these attributes, coupled with her terrific play at center half, give the Belles a double offensive-defensive punch.

Jo Kuhn and Kay Hood, dependable and steady fullbacks, will defend the Ursinus goal this year. Both are good athletes who have been substituting when not playing varsity in the last year, and both are quite able to do a good job.

Last but not least is the captain of the second All-College squad, campus leader Jen Price. Mediocre when she arrived here three years ago, Jen has worked and concentrated on her goalie position, with the result that she has become a fine defensive performer.

That's the team, and the best to them!

### Soccer Schedule — 1953

Oct. 7—Hill (practice)	away
Oct. 10—Drexel	away

Nov. 20—F & M	home

Bears Fail in Bid for Second Win; Glock Scores TD; Bears Blow 6-0 Lead

by Dick Bowman '55

After jumping to an initial 6-0 lead the Ursinus grid attack stalled and succumbed to a second half Drexel onslaught which tallied twice in the third period and once in the fourth, enabling the Dragons to walk off Drexel field 20-6 victors, Saturday. The loss was the first for the Bears who trampled Susquehanna 32-14 last week and the victory was the first for the Drexelites who fell by the wayside 47-12 against West Chester last Friday.

### Conti Intercepts Pass, Glock Scores

In the first period both squads shaped up about evenly, canceling any scoring chances. But in the second frame the Bears began to move. John Conti stymied a Dragon threat when he intercepted a Carl Fugmann pass on the Ursinus 25 and returned it to the 29. Fifteen plays and 71 yards later Dick Glock slashed off tackle for 7 yards and a TD. Drexel put on its initial scoring drive in the third period, when the Dragons moved from their own 30 to paydirt in 9 plays climaxed by George Meyers' 43 yard scoring toss to Fugmann. The glue-fingered halfback grabbed the pass on the Ursinus 15 and showed his heels to Grizzly defenders from that point to make the score 6-6 at that point. The pass was so perfect that Fugmann caught it almost on a dead run. Ted Peetros converted for the home team and the Dragons took the lead.

### Excellent Drexel Blocking

On the ensuing series of downs the victors stopped a Grizzly thrust on the Dragons' 25 when Fugmann, the big thorn in the Bears' side all day, intercepted a Glock pass intended for Conti. Fugmann then proceeded to take a Meyers' pitchout and skirt his own right end behind beautiful blocking for 41 yards. Incidentally Meyers ran the option play well all afternoon. With Johnson and Pastor lugging the mail the Dragons moved to the Bears' 21. Meyers' pass to the ever-dangerous Carl Fugmann picked up 12 to the Ursinus 9 where Meyers, faking beautifully, pitched out to Wally Johnson who moved to the one. On the next play

Meyers went over on a quarterback sneak. Peetros' conversion try was wide of the mark and the score read Drexel 13, Ursinus 6.

### Pitchout, Fumble Aid Drexel

Drexel capitalized on a bad pitchout and fumble to score the clinching TD. Leo O'Connor recovered the loose pigskin on the Ursinus 25 in the final frame. Two plays later, after a five yard loss by Augie Campiglia had moved the ball back to the 30, Meyers flipped a screen pass to Fugmann who followed a horde of interference into the end-zone untouched.

### Walker Outstanding

Three plays after Glock returned the kickoff to the 30, Bears' quarterback Ken Walker faded to pass, elected to run and scampered 51 yards for a TD. However, the officials ruled backfield in motion and the gain was nullified.

### Grizzlies Score

The Ursinus second quarter scoring march in detail ran like this: Conti's interception gave the Bears the ball on their own 29. Glock picked up 16 to the Bears 44 after taking a pitchout from starting T-signal caller, Paul Neborak. Ben Maliken moved through the middle for 4 and Neborak buck-passed to end Harry Donnelly for a first down on the Drexel 44. After Glock picked up 2, Neborak rolled for 9 on a quarterback sneak. On three successive plays Glock, Maliken and Neborak could account for only 6 yards, so the hard driving Conti took a smooth pitchout from Neborak and bulled his way for 7 more and a first down on the Drexel 20. Maliken plunged for 5 and Neborak and Glock combined for 5 more to the enemy 10. Conti slashed off 3 through the center and Glock took a hand-off for the remaining 7 and a TD. The pass from center was high and Glock's try-for-point was blocked.

### W.S.G.A.

(Continued from page 1)

Party, October 26; Christmas Banquet, the climax of the Ursinus Christmas celebration, December 16; the Lorelei, a turn-about semi-formal dance, February 12 (as close to St. Valentine's Day as possible); and May Day, with the pageant and the crowning of the May Queen, May 8.

Treasurer Liz Weaver gave her report after secretary Nancy Lewis had read the minutes, which were approved.

### Bock's President Chosen

Bobbie Kuebler, junior preceptor at Bock's, a new residence for women students, told briefly of the need for a president there. She suggested that a freshman be chosen, and Nancy Griffin was elected to the hall board as president of Bock's.

Marjorie Abrahamson was unanimously elected chairman of the Women's Dormitory Committee. That committee sells flowers in the girls' dorms for May Day.

To save time and work required for May Day programs, a committee will be set up to supervise the costume room in the library. Since the Curtain Club also uses these costumes, it was suggested that an inventory be made for the convenience of both groups.

The executive committee will consist of the president, vice-president and secretary. This group will meet with the MSGA representatives to discuss campus problems.

### Council to Assist Dean

Members of the council also signed up to help with the signing out in the evenings and at noon. Any freshman wishing to sign out must have her card initialed either by Miss Stahr or by a member of the council. Sophomores must sign out in this way until their questionnaires have been received from their parents.

Nesta Lewis, chairman of the freshman customs committee, presented several items to be approved by the council. They cannot be disclosed here because freshmen,

I am sure, will want to be surprised.

That's it for this issue. Remember that the Student Council is your council, and any questions you have may be referred to them. Perhaps you know of some issue in which others might be interested. Let us know about it! This is your column. Make use of it!

### CANTERBURY CLUB

Canterbury Club members will be entertained at a dinner meeting at St. James' Episcopal Church, Evansburg, on Tuesday, October 13. Old members and prospective new members are urged to attend this first meeting.

### NEWMAN CLUB

An organizational meeting of the campus Newman Club was held Monday night. The group meets every first and third Monday at 6:30 in Bomberger. All Catholic students are urged to attend these meetings.

### FRENCH CLUB

The French Club is planning many interesting and enjoyable meetings for the benefit of those who are interested in France, the French people, their language and their customs. All freshmen and upperclassmen, whether French students or not, are invited to join this group. Come out this year to our meetings which are designed for your pleasure. Check bulletin boards for time and place of meetings.

### Meistersingers

Tryouts were held last week by Dr. William J. Philip for the Meistersingers. Several freshmen were selected to be regular members of the chorus. Alternates, who will sing at all local concerts, were also chosen. The regular rehearsal time for this year will be Thursday nights at 8 o'clock.

# SMOKERS BY THE THOUSANDS *NOW* CHANGING TO CHESTERFIELD *the ONLY cigarette ever to give you...*

①

## PROOF of LOW NICOTINE HIGHEST QUALITY

The country's six leading cigarette brands were analyzed—chemically—and Chesterfield was found low in nicotine—highest in quality.

②

## A PROVEN RECORD with smokers

Again and again, over a full year and a half a group of Chesterfield smokers have been given thorough medical examinations . . . the doctor's reports are a matter of record, "No adverse effects to the nose, throat and sinuses from smoking Chesterfields!" A responsible independent research laboratory supervises this continuing program.

# CHESTERFIELD BEST FOR YOU
